

Welcome, challenger. Art thou worthy and prepared to go 12 rounds or more with the grand...

# "INQUISITOR?"

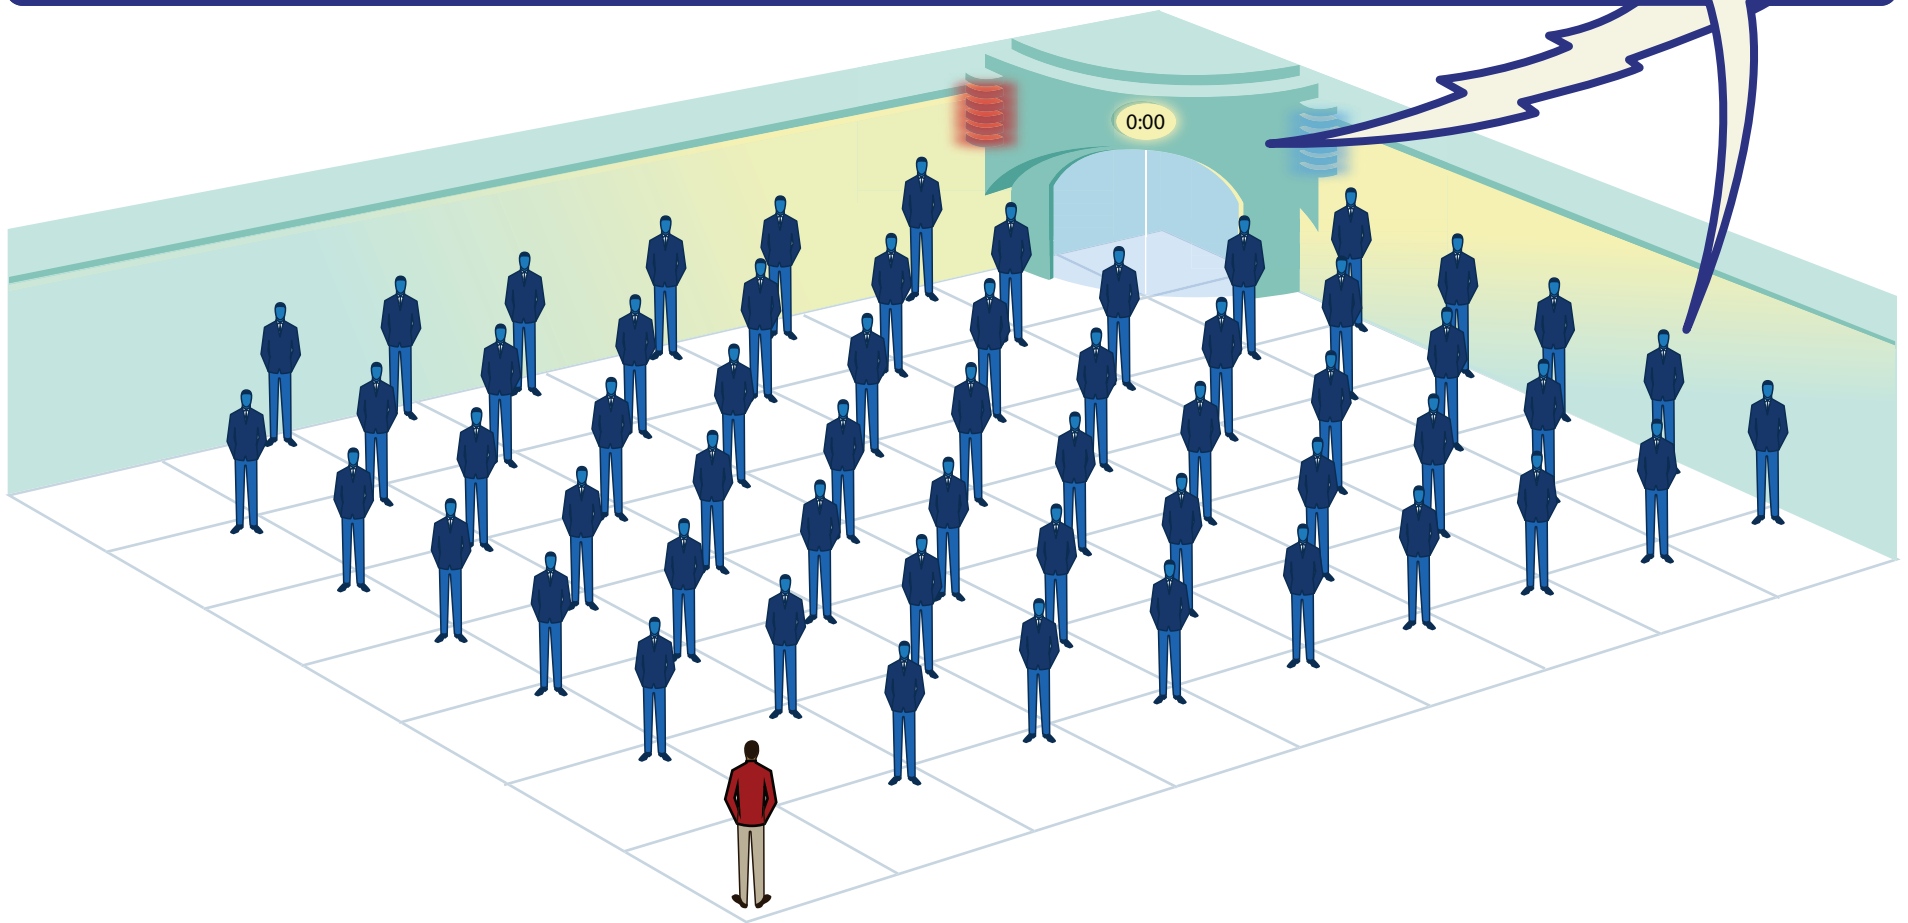

\*\*\*and his army of capable avatars?\*\*\*

Question:

Name the two great rivers that flow around the city of Baghdad in the country of Iraq.

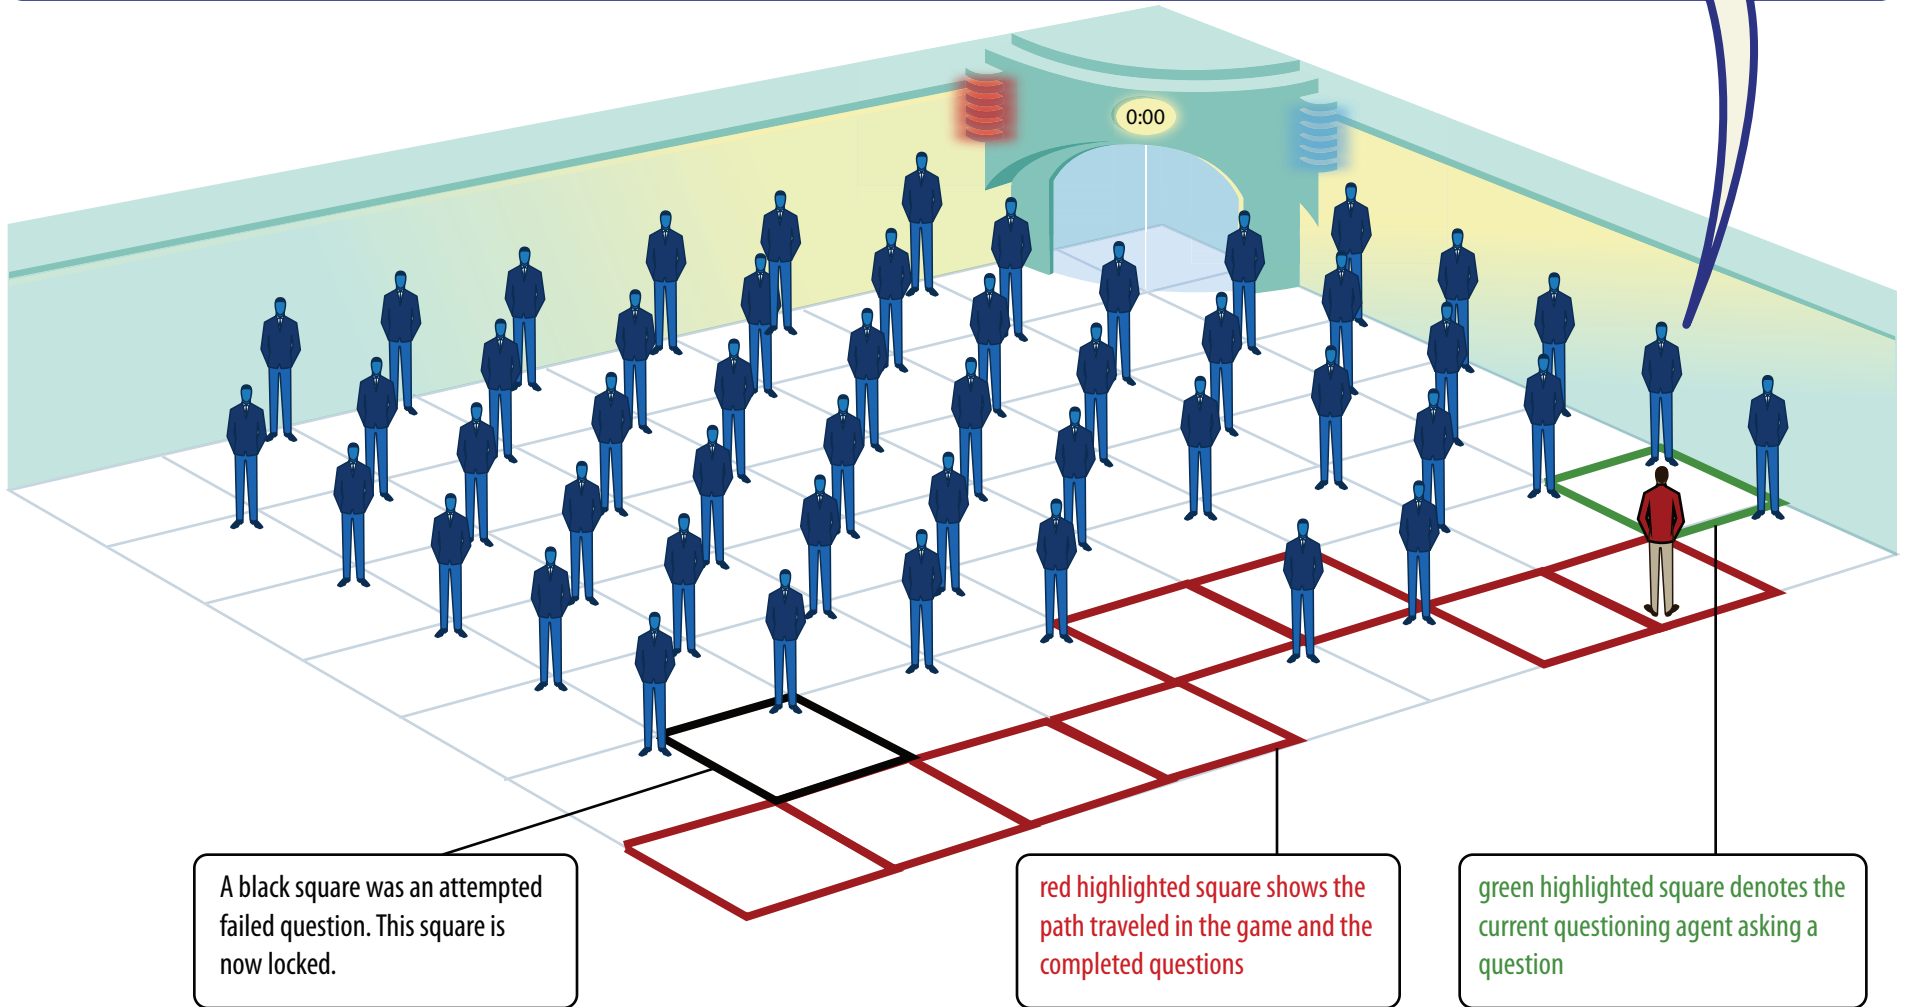

**Congratulations!** You have answered this question correctly. Move to a new square on the floor.

**"Ok, smarty pants. You've made it this far, confound it! Answer this next question."**

Name the two great rivers that flow around the city of Baghdad in the country of Iraq.

Type your answer here:

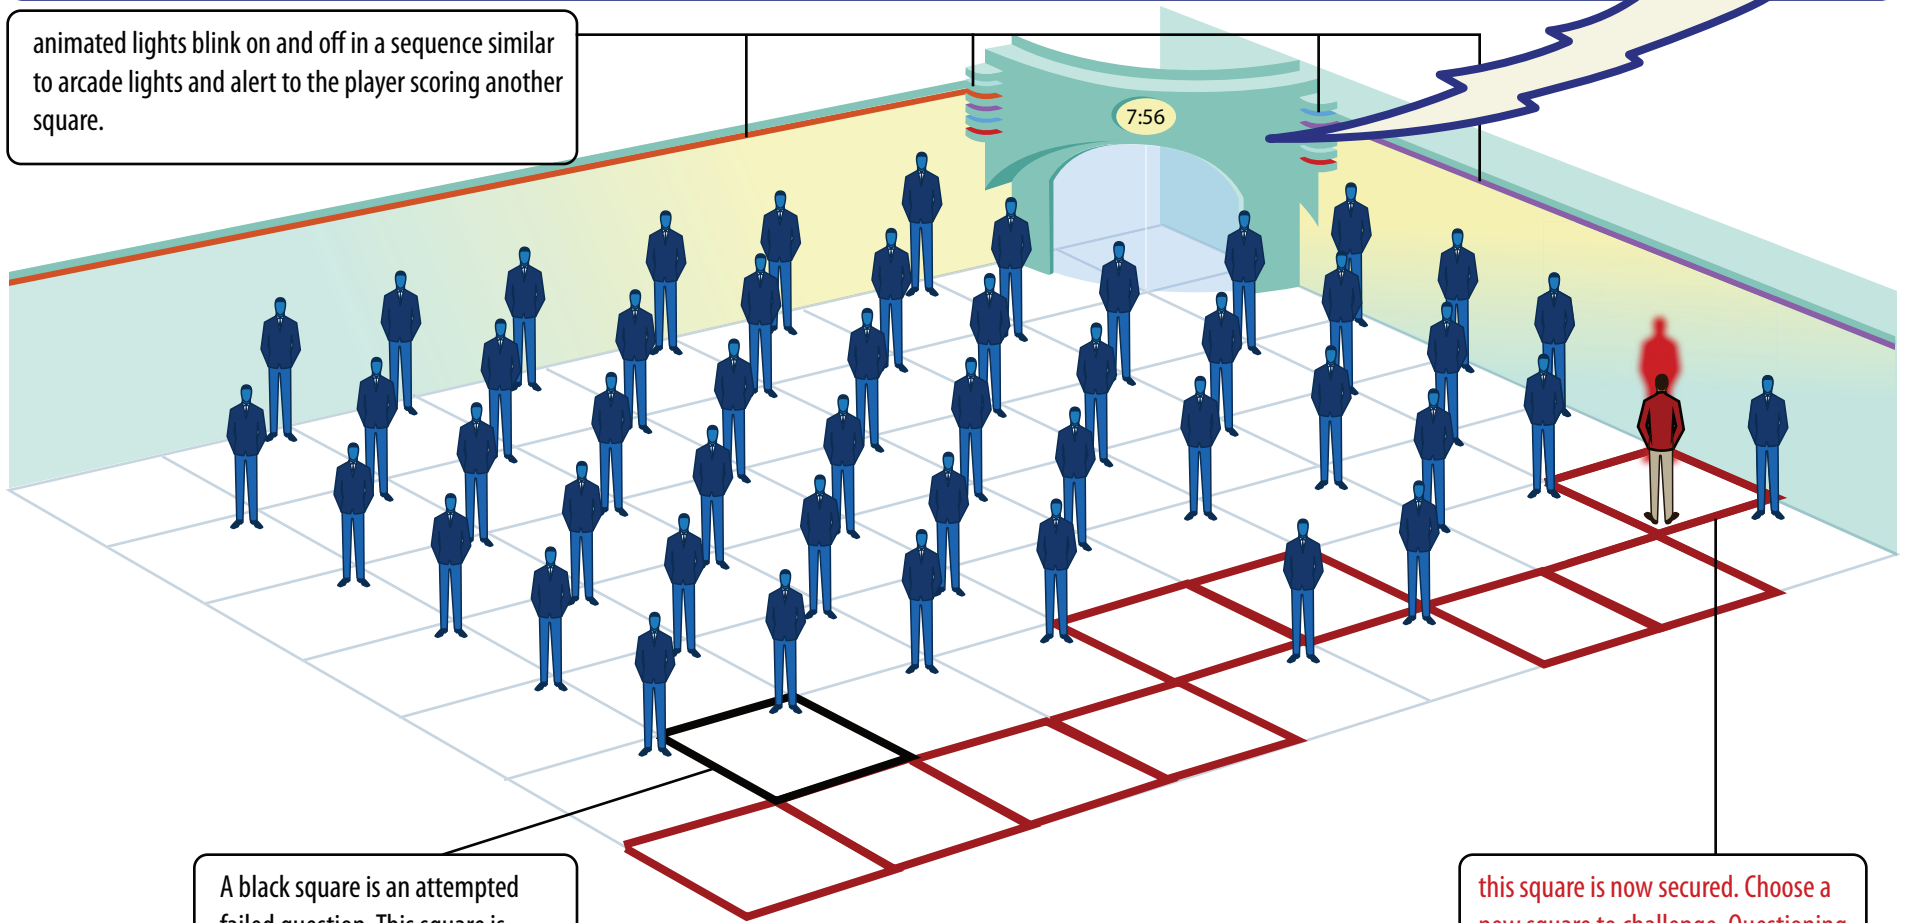

**Question:**

Name the two great rivers that flow around the city of Baghdad in the country of Iraq.

**CONGRATULATIONS, MORTAL!** You have answered this question correctly. Choose a new square on the floor to continue.

animated lights blink on and off in a sequence similar to arcade lights and alert to the player scoring another square.

A black square is an attempted failed question. This square is now locked.

this square is now secured. Choose a new square to challenge. Questioning avatar turns red, blinks and disappears.
